

- **About Us.**

Fire Triangle has been founded in early 2013, During this time Fire Triangle has grown to become one of the largest specialized companies covering all aspects of work in the area of Fire Fighting & Fire Alarm field in EGYPT.

By the start of 2016 Fire Triangle has become an authorized distributor for many reputed companies covering all range of fire protection systems.

• **Our Mission.**

Our Mission is to provide Safety & Protection for persons & properties by providing the highest quality of Fire Alarm & Fire Fighting systems.

• **Our Vision.**

Our Vision is to fulfill our commitment to all our clients by providing highest quality with the most cost efficiency -in this time of rising costs- and implement the requirements of safety & protection for persons & properties as per NFPA standards & Egyptian Codes.

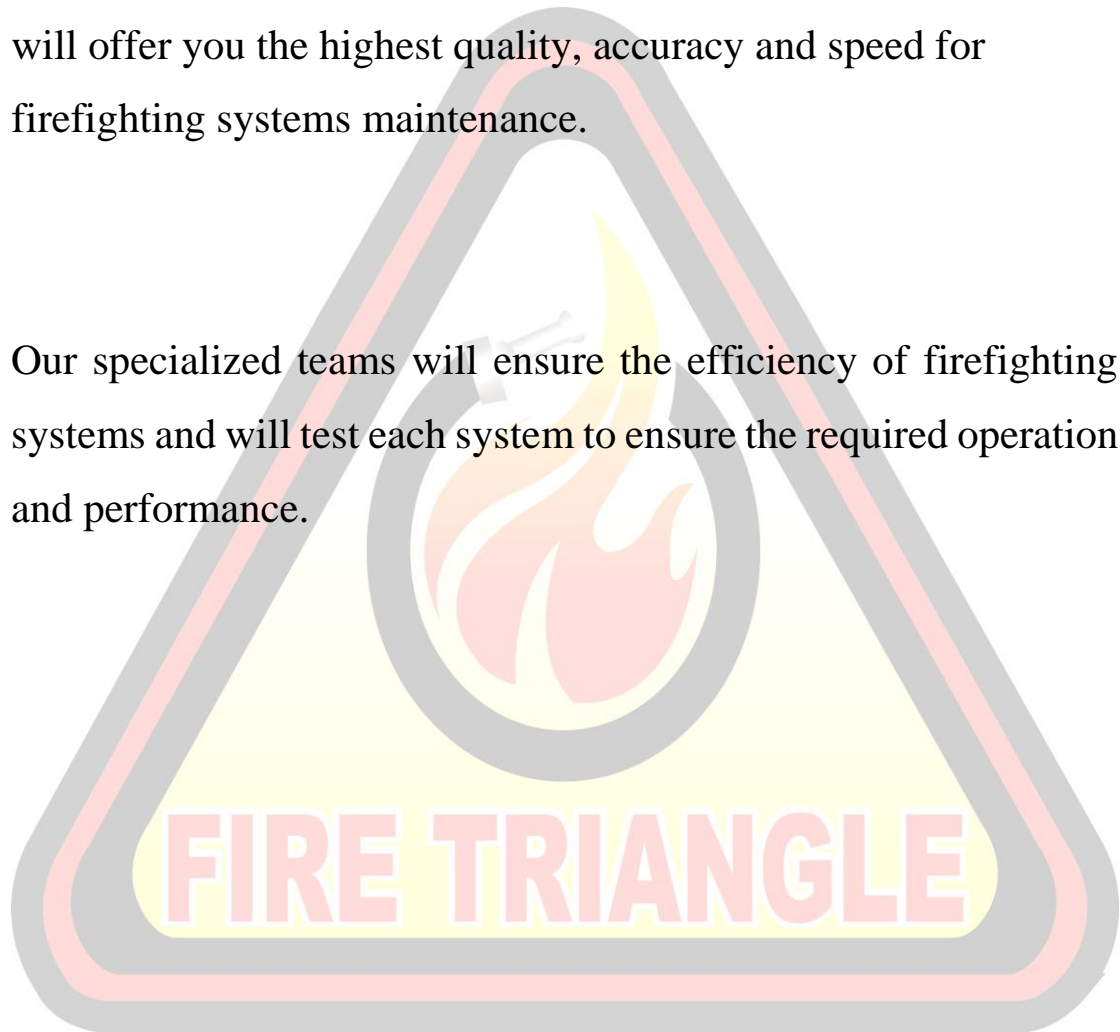

Fire Triangle's Qualified Engineers and Technicians

will offer you the highest quality, accuracy and speed for firefighting systems maintenance.

Our specialized teams will ensure the efficiency of firefighting systems and will test each system to ensure the required operation and performance.

- **Work Scope.**

Fire Triangle provide wide range of services in Fire Protection field starting from supply, design, installation & maintenance of all Fire Alarm & Fire Fighting systems.

Fire Triangle is an authorized distributor for:

RapiDrop valves & sprinklers, UL Listed / FM
